Emerson Adcock

Gaffer

Lighting Technician

Electrician

Photographer

Dedicated and dynamic track record in lighting expertise and electrical management, combined with a passion for film and photography. I am seeking a challenging position where my experience can contribute to achieving company goals.

Professional experience

LIGHTING TECHNICIAN . AVAILABLE LIGHT

2015 - Present

- Provides expertise in power distribution and troubleshooting, ensuring safe and reliable electrical setups on set.
- Passionate attitude committed to working and collaborating with like minded people on set.
- Promoted to Gaffer for short films and music videos, demonstrating strong leadership and lighting knowledge.
- Collaborated on TV commercials (TVCs) for brands like Ebay, Canva, Royal Australian Air Force, AMP, MYOB, Nintendo, CommBank, Samsung, Uber Eats, and Audi.
- Electrical and EWPA License.

PHOTOGRAPHY

2020 - Present

- Established an online photography business specialising in film photography.
- Networked with clients for fashion, portrait, architecture, and street photography projects.
- Conducted personal projects in international locations, including Serbia, Montenegro, Bosnia, Croatia, and Italy.
- Showcased a keen understanding of light manipulation in producing acclaimed photographic works.

HEAD OF SERVICE . LANGEN ELECTRICAL

2018 - 2021

- Managed and organised service jobs for Langen Electrical, including client acquisition, job quoting, task allocation, and invoicing.
- Developed and maintained client relationships, ensuring excellent communication and satisfaction.
- Strategically networked to identify new business opportunities and expand client base.
- Implemented efficient work distribution systems, optimizing employee productivity.
