Services

A TVC/Socials unit manager getting your crew where they need to be and being the backup for production to keep things running smoothly. Unit vehicles and equipment packages arranged to suit the job, from small vans to trucks. Contact me for your requirements.

As a unit assistant I come with an extensive knowledge of most TVC unit managers' vehicles and equipment and can work as part of a team or independently as required.

Unit assistant vehicle is an iLoad van that is towing capable.
