2018 - 2020

A Selection

FULL TIME - PRODUCER PRODIGIOUS, PUBLICIS GROUPE

I worked on jobs from finding a director and putting together a pitch document all the way through to sending Ads to air. I budgeted scripts, hired crew and managed client feedback through post. We had in-house post production so I worked closely with our motion graphics, sound & editing team.

FULL TIME - JUNIOR PRODUCER DEREPUBLICA

I worked under the EP Jack, assisting with pitch documents, shoot schedules, casting & crewing. I was responsible for the budget & crew deals on smaller projects. We rarely hired an AD so I ran the set.
