### SHOOTS:

I have Production Managed | Line Produced and Produced 100s of shoots, including Commercials, Promos, Photo shoots, Music Videos, Content films, Documentaries, Shorts, and a couple of Features.

I'm familiar with most production scenarios, whether shooting a Kirin Beer commercial on Christmas day in the Simpson desert or creating a floating market in Bangkok, I've usually been there and done it, and if not, I know someone who has.

Anything is possible with a friendly smile and some gentle persuasion – and of course some cold hard cash 😊

### EXPERIENCE:

Extensive experience working with local crews throughout Australia,

Extensive knowledge of equipment, studios and locations across Australia

Fully conversant with production processes from conception / scripting to pre, shoot, post, and on-air delivery.

An appreciation and understanding of all crew roles and responsibilities – who does what and why.

Managed shoots in North America, South America, Europe, Asia, Australia, and NZ

Stunts: including: a car crash, precision driving, falling over, and falling off boats and more

Worked with: Cats, dogs, horses, sheep, bulls, snakes, spiders, a black panther and more

Understanding of budgetary implications for most scenarios.

Identifying and selecting suitable key crew for specific projects.

Have overseen logistics for large set builds.

Identifying and resolving key production impacts from creative briefs.

Worked with SFX: rain, wind, firearms, pyrotechnics etc.

Celebrity planning and security management.

Budget planning and financial management.

Trained in OH&S procedures.

Conversant with Microsoft office, and Showbiz budgeting.

Extensive experience drafting complex quotes for local and international clients and have a thorough understanding of Usage and its applications.
