E X P E R I E N C E

With over 15 years of experience producing complex projects worldwide, including international feature films, scripted television, documentaries, and multi-million-dollar events, I bring a high level of motivation and organization to every project. Skilled at prioritizing and multitasking, I thrive under pressure and excel in meeting urgent, overlapping deadlines. As an efficient project manager and creative problem solver, I adapt quickly to changing demands while maintaining excellent communication and interpersonal skills. I hold United States, New Zealand and Australian passports.
